Historical maps

Our old maps date back to the 1840s to provide detailed insight into historical land use to understand the potential contaminated land risks and associated liabilities.

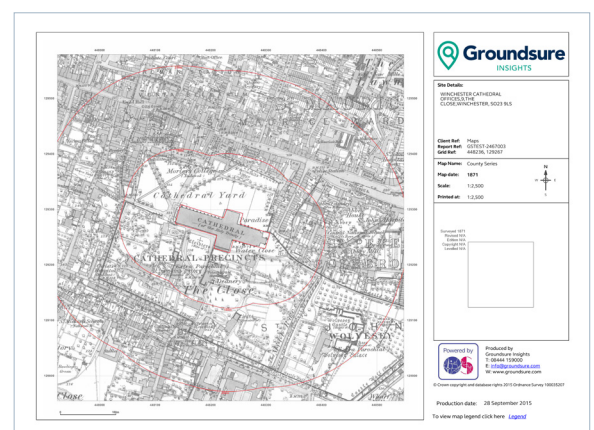

We also include detail on our old maps from the original marginalia information such as surveyed, leveled and copyright dates.

This additional inspection ensures you have everything you need to provide an accurate and informed opinion. Choose from three old map formats which can include both National Grid and County Series maps:

- Full pack, including town plans: Available scales include 1:10,000, 1:10,560, 1:2,500, 1:1,250, 1:1056 and 1:500

**Reliance: £10m Professional Indemnity Insurance. Can be relied upon by all professional parties within transaction, first purchasers / tenants and their advisers. Please refer to our terms and conditions.*

***Average turnaround times are 1-4 hours for sites up to 10ha*
